Snow Information

- **Parking of Vehicles:** There is no parking of vehicles on any Borough street when snow is forecast. All vehicles must be parked in your driveway or on the right of way area off of the paved portion of the roadway in front of your home. **Vehicles left on the roadway will be towed.**
- Depositing of snow or ice into the street is prohibited: No person shall throw, place or deposit any snow or ice into or on any street in the Borough, nor upon the property of another and no owner, tenant, or occupant shall cause or allow such depositing of snow or ice which accumulated on private property or upon vehicles into the streets of the Borough.
- Please remove all portable basketball hoops from the side of the roadway as they inhibit snowplowing and cause safety issues.
- Please remember to not place your trash or recycling cans out for collection when snow is forecast. Please place it out the following day, after snow removal is complete.
- Please remember that **ALL SNOW** must be cleared from your vehicle before driving. **IT'S THE LAW.**

Selling or Renting a Home?

A Certificate of Occupancy (C.O.) is required. Applications are available online at www.pinebeachborough.us. **Along with a rental CO, all landlords are required to register with the Borough for each of their rental properties and each time their tenants change. Landlord registration is free.** Applications, checklists, and other information are available at the Borough Clerk's Office. Please contact our office with any questions, concerns or comments at 732-349-6425.

Zoning Permits: Any additions which change the footprint of your home, accessory building (tool shed, detached garage, gazebo), pool or fence must first have a Zoning Permit. To obtain a permit, please bring a current copy of your property survey and show where the change will take place. Surveys must be original size; no reduced or enlarged copies will be accepted.

Construction Permits: The Construction Department is open on Monday, Wednesday and Friday mornings from 9:30AM-11:30AM. Please call 732-349-6425 during those hours for questions or scheduling an inspection. The Borough of Pine Beach follows the State of New Jersey Uniform Construction Code and it is the responsibility of the homeowner to know if a permit is required. If you are unsure if you are required to have a permit for the work you are doing, please call Borough Hall when the Construction Department is open.

Police Nixle Electronic Notification System-The Borough of Pine Beach is a member of the ***Nixle Electronic Notification System***. This system will allow us to electronically push both emergency and community notifications, via text message or email to our residents who choose to subscribe to this valuable service. We will not only use this system to make notification of important information in the event of an emergency but will also send out ordinary messages regarding anything from town wide events to trash collection. There is no cost to subscribe to this service, however depending on your cellular plan, text message rates may apply. We urge all residents to take advantage of this valuable service. To find out more visit our website for a link or go to www.nixle.com.

Free Annual Rabies Clinic: Will be held March 18th from 9-10am at the Pine Beach Recycling Center, 801 Pennsylvania Ave. Licensing will be available from 9-10am on March 18th or normal business hours during the week at Borough Hall.

Dog and Cat licensing: It is a New Jersey law to license your dog or cat in the town you reside. License renewals are due by March 31st. If your pet is no longer with you, please call our office to inform us. Please be advised that on April 1st, there will be a \$10.00 late fee added onto any license. A summons will be issued shortly thereafter for any dog or cat without a current license. Please visit the Borough website for more information on licensing if your cat or dog has an up-to-date rabies vaccination. The licensing fee is as follows;

spayed/neutered: \$12

not spayed/neutered: \$15

***\$10 late fee added if paid April 1st or later**

Brush Pick up begins this month: Please observe the dates scheduled for your zone on the calendar. We ask that you please place your brush to the curbside no later than the Sunday of your scheduled week. Failure to do so may result in you missing the collection.

Tips: Please cut brush into lengths no longer than 4 feet, Brush **MUST** be tied into manageable bundles. No logs or branches larger than 4" in diameter will be collected.

Trash collection tips and reminders:

- Please place your trash or recyclable items out for collection after 4pm on the day before collection.
- Never place bulk trash or recyclables in the Green Robo-Can. This is a violation of collection rules and will result in your trash not being collected. All trash in the Robo-Can must be bagged.
- Please do not place items out to the curbside for collection unless a pickup is scheduled on the calendar.

The Pine Beach Annual Egg Hunt will be held
Sunday, April 2nd at Vista Park at 1PM
(Rain date April 15th)

March 2023

26 R1 & R2 brush pickup week	27 R1 trash collection	28 R2 trash collection	29	30	31	

BOROUGH RECYCLING YARD: The recycling yard is located at 801 Pennsylvania Ave. It is open during the week from 8am to 2pm and on select Saturdays from 8am to 2pm for residents.

You may bring to the yard any recyclable material, brush or leaves. Items that are not accepted are hazardous waste, bulk, trash, and tires. Please do not leave any items outside of the gate when the yard is closed.

LEAF COLLECTION:

- Please bag leaves in standard lawn bags. Do not utilize the paper type bags as they rip when wet.
- Do not overstuff the bags; this makes them difficult to empty and heavy to lift, especially if leaves are mulched.
- Please **do not tie** tight knots in tops of bags; loosely close the tops of the bags. **Please place a receptacle at the curb with your leaf bags**, as we empty the leaves into our truck and they will be left for you to reuse and will prevent them from blowing away.
- Please stack your bags for collection off of the roadway.
- Please follow the schedule and place your leaves out to the curbside no later than the Sunday of the collection week. Failure to do so may result in you missing the collection, which may begin first thing on Monday morning.

*****Please plan your yard cleanup accordingly as there will be no further pick-up until fall.**

You may bring leaves or brush to the Borough Yard when it is open.

Recreation Badges, Ramp, and Parking Permits

Fees: \$10.00 parking/\$10.00 beach badges. Citizens 62+ \$5.00 parking/ \$5.00 beach badges.

Children Under 12 are free and do not require a badge.

A parking permit is required to park in the municipal lots and a recreation badge is required to use the beach, docks, and any other Borough Recreation facilities.

Ramp permit: \$150.00 by April 15th/\$175.00 after April 15th. The ramp is located at the end of Prospect Ave.

*All boats placed on beaches must be registered at Borough Hall and stored in designated areas only. This registration is free. Boats may not be stored on the beach before April 1st and must be removed no later than November 30th. Any boats remaining after November 30th will be removed and a \$25.00 per month storage fee will be charged by the Borough.

Reminder: No dogs are allowed on beaches or the River Walk at any time. No exceptions.

Mandatory Water Restrictions- In order to comply with the DEP regulations, a mandatory water restriction of outside water usage and car washing will be in effect June 20 to September 20. All Borough residents are required to adhere to the “Odd – Even” watering method, where homes with an even house number may water outside on even numbered days, odd numbered homes may water on odd numbered days. Compliance with the Borough restrictions is mandatory except for those residents with private wells, unless the state declares mandatory restrictions, in which case they apply to all users including private wells.

WATER RESTRICTIONS WILL BE STRICTLY ENFORCED. PLEASE ADJUST YOUR AUTOMATIC SPRINKLERS ACCORDINGLY.

Storm water Pollution - *Easy Things You Can Do Every Day to Protect Our Water!!*

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn & keep the rest in a natural state with trees & other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Don't litter Place litter in trash receptacles. Recycle. Recycle. Recycle. Participate in community cleanups.

Clean up after your pet

- Pet owners must pick up and properly dispose of pet waste dropped on public or other people's property. It's the law. Remember to use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas. Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas

What are some simple changes I can make to protect our waters?

- Never dump motor oil, grass trimmings, leaves, animal waste or other pollutants into the roadway or storm water catch basins.
- Landscape your yard to minimize rainwater runoff.
- Divert rain from paved surfaces onto grass to permit gradual infiltration.
- Preserve the established trees in your neighborhood, which help minimize the damage caused by surface runoff.
- Choose the appropriate plants, shrubs and trees for the soil in your yard; do not select plants that need lots of watering, which increase surface runoff.

IMPORTANT Recycling Reminders:

- Cardboard and paper products must be in a container with a lid so they do not blow around, stay dry, and are readily collectible.
- Please make sure there are no plastic bags in your recycling can. They interfere with the sorting process at the recycling center.
- The Borough no longer uses an automated truck to collect recyclables. We encourage every resident to purchase trash cans with lids and handles. Tote containers are discouraged. There is no limit to the amount of cans that you may use.
- The Borough follows the rules enforced through Ocean County. Any items that the Borough cannot collect may be brought to:

*Ocean County- Northern Recycling Center
601 New Hampshire Ave, Lakewood
732-367-0802*

OR

*Ocean County- Southern Recycling Center
379 Haywood Road, Manahawkin
609-978-0913.*

These items can be brought Monday–Saturday from 7:30-3PM.

For E-waste and Rigid Plastics please refer to your calendar.

Yard Waste: All yard waste **except for grass clippings** is considered recyclable materials. Yard waste is collected at the curbside during the dates indicated on the collection schedule. **During curbside pickup leaves must be bagged and loosely closed, and brush must be cut in lengths no longer than 4' and must be tied in bundles to help us collect it.** Please do not place branches or twigs in the bags with your leaves. Anything with a branch attached is considered brush. The Borough Recycling Yard is open year round to accept yard waste from all residents. Yard waste should not be placed at the curbside outside of your normal scheduled pickup dates.

Brush Pick up scheduled this month. Please observe the dates scheduled for your zone on the calendar. We ask that you please place your brush to the curbside no later than the Sunday of your scheduled week as we will only collect once per street, per scheduled week. Failure to place the brush out on Sunday may result in you missing the collection and the trucks will not be sent back.

Tips:

- Please cut brush into lengths no longer than 4 feet.
 - Brush **MUST** be tied into manageable bundles.
 - No logs or branches larger than 4" in diameter will be collected.
-

Household Hazardous Waste: Items such as paints, varnish, solvents, caulk, glue, fuels, antifreeze, brake fluid, motor oils and filters, energy efficient or fluorescent bulbs or any other item which is chemical in nature. Residents may drop these items off at the Ocean County Recycling Center. **These items MAY NOT be disposed of in household trash and MAY NOT be brought to the Borough Recycling Center.** For more information please contact the Ocean County Recycling Center at 732-367-0802

Metal items:

- We will no longer pick up metal recyclable items at your curbside. Theft of these items has made this prohibitive.
- A metal recycling dumpster is provided at the Borough Yard for residents to drop off recyclable metal items during normal business hours. Accepted items include appliances (remove doors), BBQ's, swing sets and most other items consisting of metal.

Visit www.state.nj.us/dep/dshw/rrtp/hhwcp.htm for a list of local household hazardous waste facilities.

Did you miss a Bulk pick up? *You may bring these items to the Ocean County Landfill on Route 70 in Manchester (M-F 7-3:30 or Sat 7-12) Please call for more information 732-323-8528. There will be a charge to dump please call for current fees.*

There is leaf collection this month:

- Please bag leaves in standard lawn bags. Do not utilize the paper type bags as they rip when wet.
- Do not overstuff the bags, this makes them difficult to empty and heavy to lift, especially if leaves are mulched.
- Please **do not tie** tight knots in tops of bags; loosely close the tops of the bags. **Please place a receptacle at the curb with your leaf bags**, as we empty the leaves into our truck, they will be left for you to reuse & will prevent them from blowing away.
- Please stack your bags for collection off of the roadway.
- Please follow the schedule and place your leaves out to the curbside no later than the Sunday of the collection week. Failure to do so may result in you missing the collection, which may begin first thing on Monday morning.

****Please follow the schedule and place your leaves out to the curbside no later than the Sunday of your scheduled collection week. We will collect each street one time during each scheduled week. Failure to place the bags out on Sunday may result in you missing the collection, which will begin first thing on the Monday morning of each scheduled week.**

***Reminder:** Hazardous waste, bulk trash and tires are not accepted by the Borough at the recycling yard. **DO NOT** leave any items outside of the gate when yard is closed.

Other Important Tips

1. When snow is forecast please be sure to park your vehicles off of the roadway as required by Borough ordinance.
2. Please remove all portable basketball hoops from the area of the roadway when snow is forecast.
3. Please remember to not place your trash or recycling out for collection when snow is forecast as we do not pick up during snow removal. Please place it out the following day, after snow removal is complete.
4. Please DO NOT shovel snow from your property out into the roadway, especially after it has been cleared. It can create ice patches and is also illegal.

Code Enforcement Information:

Property maintenance codes in the Borough are in place to insure that all properties are maintained uniformly throughout the entire town. The main goal of these codes is to provide the basis for properties to be kept neat and clean and to protect the rights of all of our residents. We have made great strides in cleaning up our town with the cooperation of the majority of our residents. Please remember to periodically take a look around your property to insure that it is kept neat and clean. Our Borough Codes are available online at www.pinebeachborough.us. Please check the property codes before making any improvements to your property to insure that you comply with the law.

Important Tips: All trailers, boats and boat trailers must be stored behind the front building line of your home. They are not permitted to be parked on roadways, driveways (unless behind the building line) or anywhere in your front yard. The only exception is for boats less than 25', which may be kept in your driveway provided they are at least 10' back from the edge of the roadway.

A minimum of the first 10' of your front property is known as a Borough "right of way" while you are responsible for the maintenance of this property it is an area which the borough or utility companies may utilize to place utilities, signs or for other needs. While you may make improvements to this area, please be mindful that the Borough will not be responsible for any damage that may occur to any improvements made, either by snow plowing activities or by necessity to make access to any underground utilities that may be located within the right of way. Please be mindful that any items to include trees, shrubs or bushes placed within 10' of any roadway must not stand or grow taller than 2.5' and that any tree branches that overhang the right of way must be cut at a minimum of 10' above ground level. Please have any low hanging branches in front of your home trimmed.

***The final leaf collection until the Spring is scheduled this month. All leaves will be picked up the week of December 3rd for R1 and the week of December 10th for R2.**

***The Pine Beach Borough Annual Tree Lighting
December 3rd 4:30pm
Borough Hall***

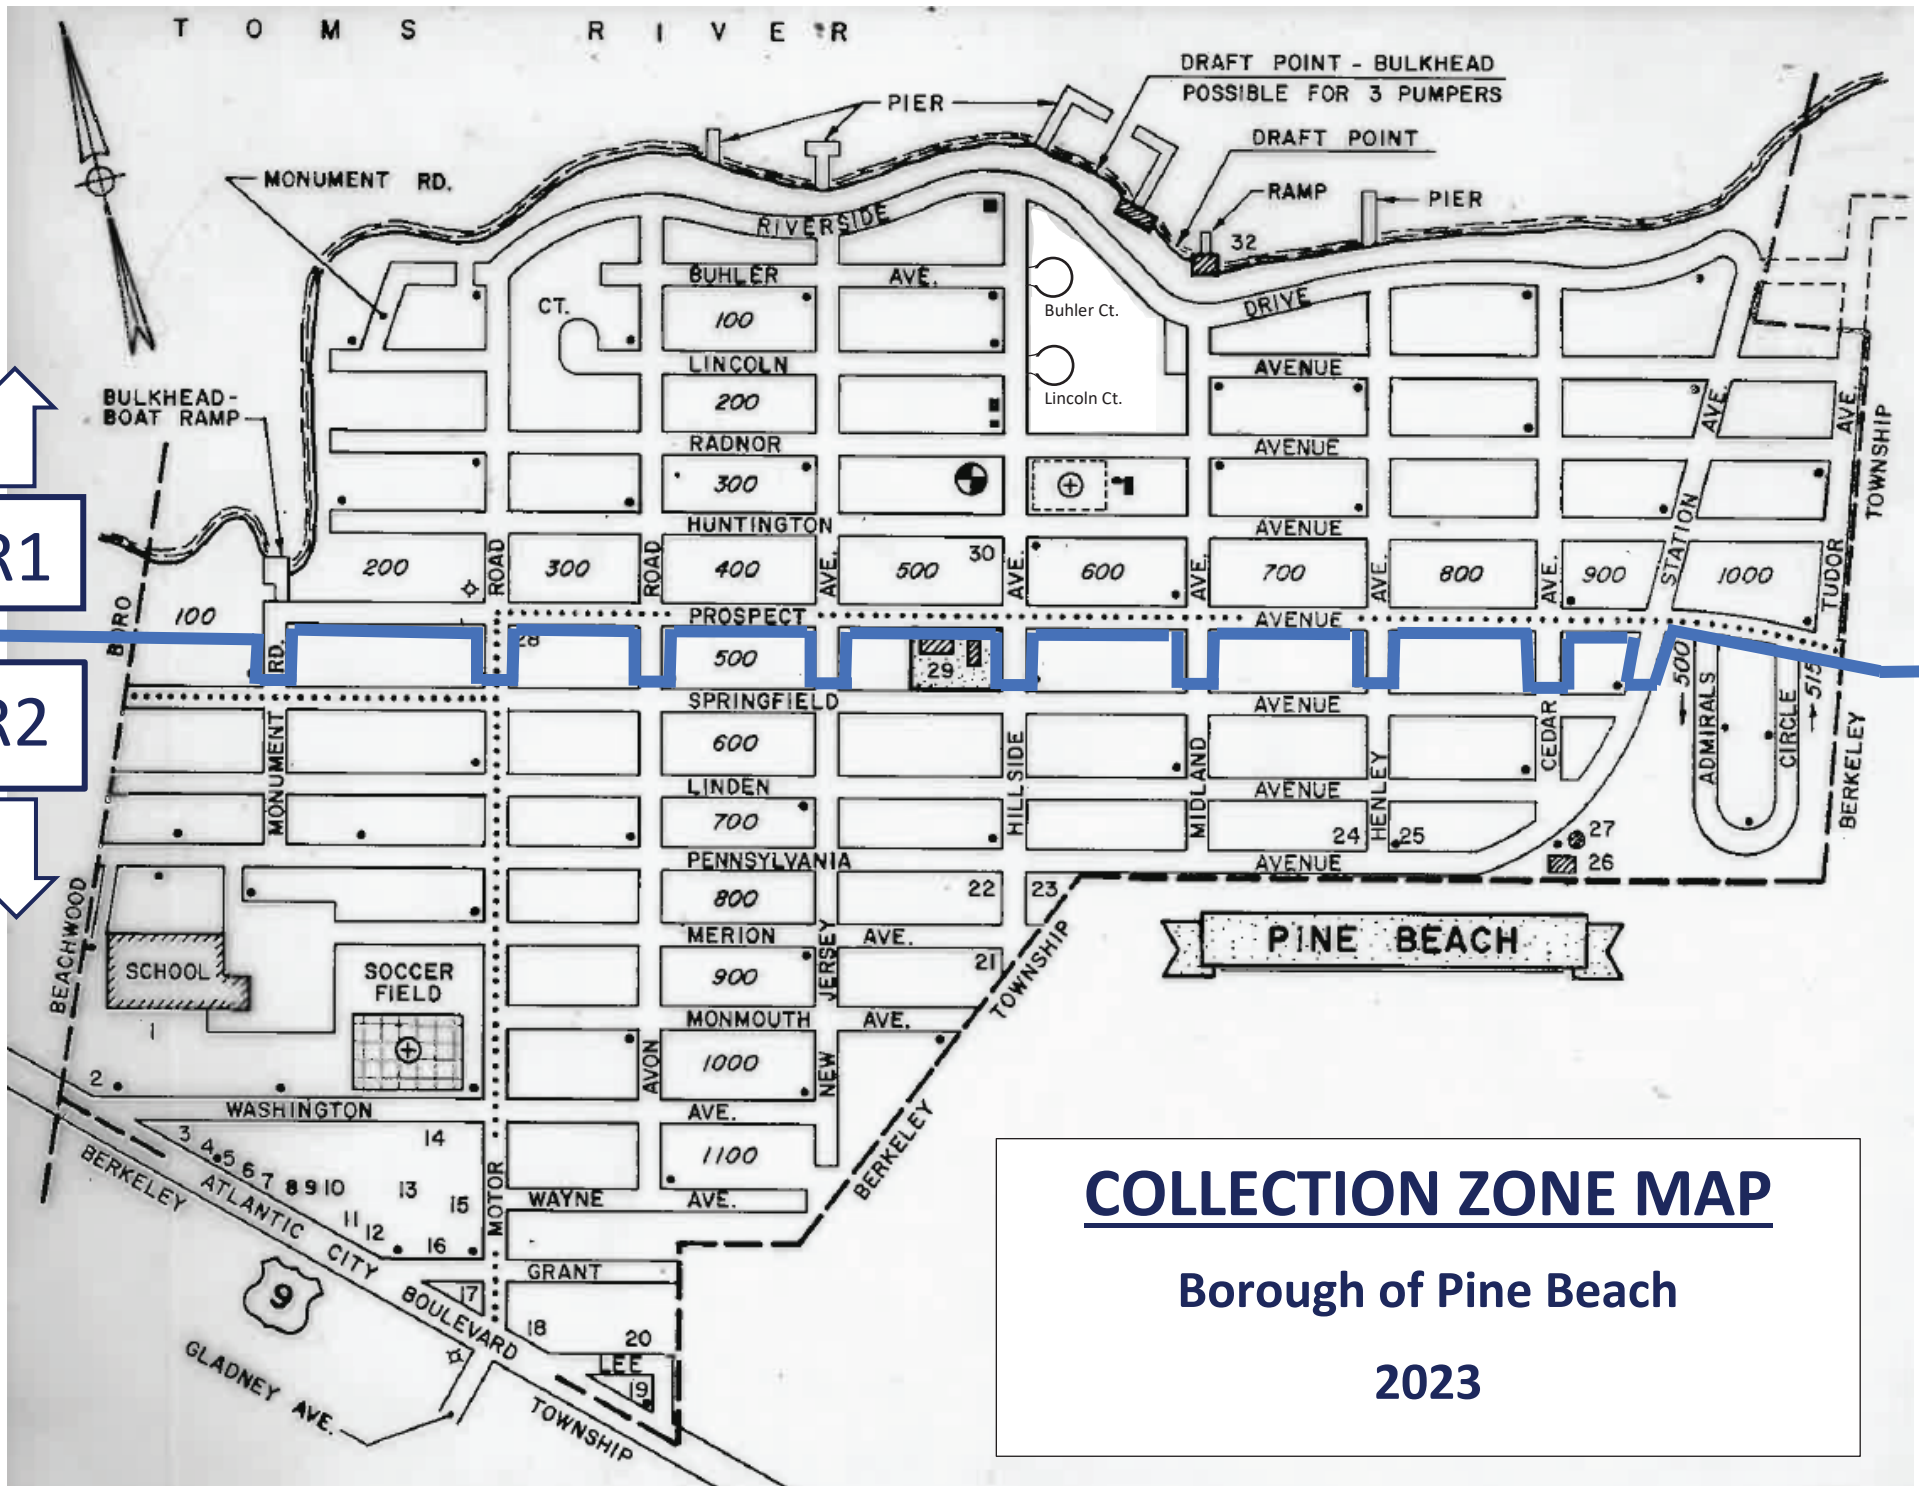

**Please join us as we celebrate the holiday season.
Light refreshments will be served.**

***The Mayor and Council and the entire Borough Staff would like to extend their wishes to everyone
for a Happy Holiday Season!***
