Snow Information

- **Parking of Vehicles:** There is no parking of vehicles on any Borough street when snow is forecasted. All vehicles must be parked in your driveway or on the right of way area off of the paved portion of the roadway in front of your home. **Vehicles left on the roadway will be towed.**
- Depositing of snow or ice into the street is prohibited: No person shall throw, place or deposit any snow or ice into or on any street in the Borough, nor upon the property of another and no owner, tenant or occupant shall cause or allow such depositing of snow or ice which accumulated on private property or upon vehicles into the streets of the Borough.
- Please remove all portable basketball hoops from the side of the roadway as they inhibit snowplowing and cause safety issues.
- Please remember to not place your trash or recycling cans out for collection when snow is forecast. Please place it out the following day, after snow removal is complete.
- Please remember that **ALL SNOW** must be cleared from your vehicle before driving. **IT'S THE LAW.**

Selling or Renting a Home?

A Certificate of Occupancy (C.O.) is required. Applications are available online at www.pinebeachborough.us. **All landlords are required to register with the Borough for each of their rental properties.** Applications are available at the Borough Clerk's Office. Inspections are performed Mondays from 2:00-3:00PM. Please contact our office with any questions, concerns or comments at 732-349-6425.

Zoning Permits: Any additions which change the footprint of your home, accessory building (tool shed, detached garage, gazebo), pool or fence must have a Zoning Permit. To obtain a permit, please bring a current copy of your property survey and show where the change will take place. Surveys must be original size; no reduced or enlarged copies will be accepted. The Zoning Officer is available Monday evenings from 3:00PM - 4:30PM.

Construction Permits: The Construction Department is open on Monday, Wednesday and Friday mornings from 9:30AM-11:30AM. Please call 732-349-6425 during those hours for questions or scheduling an inspection. The Borough of Pine Beach follows the State of New Jersey Uniform Construction Code and it is the responsibility of the homeowner to know if a permit is required. If you are unsure if you are required to have a permit for the work you are doing, please call Borough Hall when the Construction Department is open.

Stormwater Pollution - Easy Things You Can Do Every Day To Protect Our Water

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Free Annual Rabies Clinic: Will be held on Saturday March 12th from 1pm to 2pm at the Pine Beach Recycling Center on Pennsylvania Avenue. Dog and Cat License renewals were due in January, as our licensing period runs from January 1st through December 31st. **Please be advised that after March 28th, there will be a \$10.00 late fee added onto any license and summonses will be issued for any animals that do not have a current license.**

Brush Pick up begins this month: Please observe the dates scheduled for your zone on the calendar. We ask that you please place your brush to the curbside no later than the Sunday of your scheduled week as we will only collect once per street, per scheduled week. Failure to place the brush out on Sunday may result in you missing the collection and the trucks cannot be sent back.

Tips:

- Please cut brush into lengths no longer than 4 feet.
- Brush **MUST** be tied into manageable bundles.
- No logs or branches larger than 4" in diameter will be collected.

Trash collection tips and reminders:

- Please place your trash or recyclable items out for collection after 4pm on the day before collection.
- Never place bulk trash or recyclables in the green Robo-Can. This is a violation of collection rules and will result in your trash not being collected. All trash in Robo-Cans must be bagged.
- Please do not place items out to the curbside for collection unless a pickup is scheduled on the calendar.

**The *Pine Beach Annual Spring Egg Hunt* will be held
Sunday, March 20th at Vista Park at 1PM
(Rain date March 26th at 1pm)**

BOROUGH RECYCLING YARD IS LOCATED ON PENNSYLVANIA AVENUE: You may bring brush, leaves or recyclables to the yard . The Borough Recycling Yard is open during the week from 7am to 2pm and on select Saturdays from 8am to 2pm for residents. Items that are not accepted are hazardous waste, bulk, trash, tires and E-Waste. Please do not leave any items outside of the gate when the yard is closed.

Leaf collection begins this month:

- Please bag leaves in standard lawn and garden bags. If possible please avoid the tie type bags and do not utilize the paper type bags.
- Do not overstuff the bags, this makes them difficult to empty and heavy to lift, especially if leaves are mulched.
- Please do not tie tight knots in tops of bags. Loosely tie or tape with masking tape closed to keep bag closed.
- Please stack your bags for collection off of the roadway.
- Please place a receptacle at the curb with your leaf bags and the bags will be left for you to reuse and will prevent them from blowing away.

****Please follow the schedule and place your leaves out to the curbside no later than the Sunday of your scheduled collection week. We will collect each street one time during each scheduled week. Failure to place the bags out on Sunday may result in you missing the collection, which will begin first thing on the Monday morning of each scheduled week.**

The Borough Recycling Yard is open during the week from 7am to 2pm and on select Saturdays from 8am to 2pm for residents who wish to drop off leaves, brush or any other recyclable materials.

Beach Badges, Ramp and Parking Permits

Fees: \$10.00 parking, \$10.00 beach badges. Citizens 62 years + will have a reduced fee of \$5.00 parking/ \$5.00 beach badges. Children under 12 are free and do not require a badge. Ramp permit fee is \$125.00 before April 15/\$150.00 thereafter. Reminder: No dogs are allowed on beaches or the River Walk at any time. No exceptions.

*All boats placed on beaches must be registered at the Borough hall and stored in designated areas only. Boats may not be stored on the beach before April 1st and must be removed no later than November 30th. Any boats remaining after November 30th will be removed by Public Works and a \$25.00 per month storage fee will be charged by the Borough.

Mandatory Water Restrictions In order to comply with the DEP regulations, a mandatory water restriction of outside water usage and car washing will be in effect June 20 to September 20. All Borough residents are required to adhere to the “Odd – Even” watering method, where homes with an even house number may water outside on even numbered days, odd numbered homes may water on odd numbered days. Compliance with the Borough restrictions is mandatory except for those residents with private wells, unless the state declares mandatory restrictions, in which case they apply to all users including private wells. **WATER RESTRICTIONS WILL BE STRICTLY ENFORCED. PLEASE ADJUST YOUR AUTOMATIC SPRINKLERS ACCORDINGLY.**

Police Nixle Electronic Notification System, The Borough of Pine Beach is a member of the *Nixle Electronic Notification System*. This system will allow us to electronically push both emergency and community notifications, via text message or email to our residents that choose to subscribe to this valuable service. We will not only use this system to make notification of important information in the event of an emergency but will also send out ordinary messages regarding anything from town wide events to trash collection. There is no cost to subscribe to this service, however depending on your cellular plan, text message rates may apply. We urge all residents to take advantage of this valuable service. To find out more visit our website for a link or go to www.nixle.com

Stormwater Pollution - Easy Things You Can Do Every Day To Protect Our Water

Clean up after your pet

- Pet owners must pick up and properly dispose of pet waste dropped on public or other people’s property. It’s the law. Remember to use newspaper, bags or pooper-scoopers to pick up wastes. „
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet. „
- Never discard pet waste in a storm drain.

Don’t feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas. Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas

PBPD vs. PBFD

IMPORTANT RECYCLING AND WASTE DISPOSAL INFORMATION

You may have wondered why the town does not collect certain items? There have been some changes that Ocean County has made regarding what our town is able to collect from our residents. These rules are enforced by Ocean County and not by our town. We are sorry for any inconvenience but please understand and try to help us conform.

Anything we are unable to accept you may bring to: *Ocean County Northern Recycling Center at 601 New Hampshire Ave, Lakewood 732-367-0802 or the Southern Recycling Center 350 Haywood Road, Stafford 609-978-0913. These items can be brought Monday –Saturday from 7:30-3PM*

E-waste cannot be collected any longer: The County will only accept these items from residents and not from the town. Electronic items such as televisions, VCR's, computer monitors, CPUs, laptops, cell phones, printer cartridges.

Rigid Plastic Recycling Program : Our town can no longer accept rigid plastic items as Recycling. Examples of these items are buckets, milk crates, lawn furniture, totes, playhouses, car seats, pet carriers, pallets, closet shelving, empty garbage cans, 5 gallon water bottles, automotive plastics.

Single Stream Recycling : Single Stream Recycling means you can place your bottles, cans, glass, mixed paper and cardboard in one bin. One of the major **DON'Ts** is plastic bags. We cannot recycle plastic bags or allow recyclables to be left in plastic bags. Acceptable materials are **PLASTIC CONTAINERS:** Please remove the caps, where the neck is smaller than the base of the container (Examples: shampoo bottles, laundry detergent, milk jugs, soda bottles), **CANS:** Aluminum, steel and tin, empty aerosol. **CORRUGATED:** Cardboard, **MIXED PAPER:** Magazines, catalogs, junk mail, envelopes, office paper, newspapers, wrapping paper, greeting cards, and brown paper bags.

*Although the Borough previously provided recycling containers for automated collection this method is no longer utilized. We encourage every resident to purchase Rubbermaid 35 gallon trash cans with handles and to place all of the above items in them together. There is no limit to the amount of recycling cans that you may place out.

August 2016

28	29 <i>R1 Trash Collection</i>	30 <i>R2 Trash Collection</i>	31 <i>R1 Recycling</i>			

Household Hazardous Waste: Items such as paints, varnish, solvents, caulk, glue, fuels, antifreeze, brake fluid, motor oils and filters, energy efficient or fluorescent bulbs or any other item which is chemical in nature. Residents may drop these items off at the Ocean County Recycling Center. **These items MAY NOT be disposed of in household trash and MAY NOT be brought to the Borough Recycling Center.** For more information please contact the Ocean County Recycling Center at 732-367-0802

Metal items:

- We will no longer pick up metal recyclable items at your curbside. Theft of these items has made this prohibitive.
- A metal recycling dumpster is provided at the Borough Yard for residents to drop off recyclable metal items during normal business hours. Accepted items include appliances (remove doors), BBQ's, swing sets and most other items consisting of metal.

Did you miss a Bulk pick up? You may bring these items to the Ocean County Landfill on Route 70 in Manchester (M-F 7-330 or Sat 7-12) Please call for more information 732-323-8528. There will be a charge to dump please call for current fees.

Stormwater Pollution - Easy Things You Can Do Every Day To Protect Our Water

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Don't litter

- Place litter in trash receptacles. Recycle. Recycle. Recycle. Participate in community cleanups.

“Trick or Treat” will be held on **Sunday, October 30, 2016**. The Toms River Halloween Parade will be on October 31, 2016. Please attempt to “Trick or Treat” during daylight hours if possible. All trick or treat activities should cease by 9pm.

Yard Waste: All yard waste **except for grass clippings** is considered recyclable materials. Yard waste is collected at the curbside during the dates indicated on the collection schedule. **During curbside pickup leaves must be bagged and loosely closed and brush must be cut in lengths no longer than 48” and must be tied in bundles to help us collect it.** Please do not place branches or twigs in the bags with your leaves. Anything with a branch attached is considered brush. The Borough Recycling Yard is open year round to accept yard waste from all residents. Yard waste should not be placed at the curbside outside of your normal scheduled pickup dates.

Brush Pick up scheduled this month. Please observe the dates scheduled for your zone on the calendar. We ask that you please place your brush to the curbside no later than the Sunday of your scheduled week as we will only collect once per street, per scheduled week. Failure to place the brush out on Sunday may result in you missing the collection and the trucks cannot be sent back.

Tips:

****Please follow the schedule and place your leaves out to the curbside no later than the Sunday of your scheduled collection week. We will collect each street one time during each scheduled week. Failure to place the bags out on Sunday may result in you missing the collection, which will begin first thing on the Monday morning of each scheduled week.**

***Reminder:** Hazardous waste, bulk trash and tires are not accepted by the Borough at the recycling yard. **DO NOT** leave any items outside of the gate when yard is closed.

Other Important Tips

1. When snow is forecasted please be sure to park your vehicles off of the roadway as required by Borough ordinance.
2. Please remove all portable basketball hoops from the area of the roadway when snow is forecasted.
3. Please remember to not place your trash or recycling out for collection when snow is forecasted as we do not pick up during snow removal. Please place it out the following day, after snow removal is complete.
4. Please **DO NOT** shovel snow from your property out into the roadway, especially after it has been cleared. It can create ice patches and is also illegal.

Code Enforcement Information:

Property maintenance codes in the Borough are in place to insure that all properties are maintained uniformly throughout the entire town. The main goal of these codes is to provide the basis for properties to be kept neat and clean and to protect the rights of all of our residents. We have made great strides in cleaning up our town with the cooperation of the majority of our residents. Please remember to periodically take a look around your property to insure that it is kept neat and clean. Our Borough Codes are available online at www.pinebeachborough.us. Please check the property codes before making any improvements to your property to insure that you comply with the law.

If in doubt please call the Code Enforcement Official prior to beginning any work at 732-349-6425.

Important Tips: All trailers, boats and boat trailers must be stored behind the front building line of your home. They are not permitted to be parked on roadways, driveways (unless behind the building line) or anywhere in your front yard. The only exception is for boats less than 25', which may be kept in your driveway provided they are at least 10' back from the edge of the roadway.

A minimum of the first 10' of your front property is known as a Borough "right of way" while you are responsible for the maintenance of this property it is an area which the borough or utility companies may utilize to place utilities, signs or for other needs. While you may make improvements to this area, please be mindful that the Borough will not be responsible for any damage that may occur to any improvements made, either by snow plowing activities or by necessity to make access to any underground utilities that may be located within the right of way. Please be mindful that any items to include trees, shrubs or bushes placed within 10' of any roadway must not stand or grow taller than 2.5' and that any tree branches that overhang the right of way must be cut at a minimum of 10' above ground level. Please have any low hanging branches in front of your home trimmed.

***The final leaf collection until Spring is scheduled this month. Collection will be finished up by month's end. ***

The Pine Beach Borough Annual Tree Lighting Ceremony

Sunday, December 4th at Borough Hall 4:30pm

Please join us as we celebrate the holiday season. Light refreshments will be served.

The Mayor and Council and the entire Borough Staff would like to extend their wishes to everyone for a Happy Holiday Season!
